

MAJCOM SCPD Implementation

AFPC

~~Proposed Standard 2% Increase Per Calendar Year Quarter Air Force-Wide~~

Purpose: To show percent of positions by MAJCOM assigned to SCPDs versus potential SCPD population.

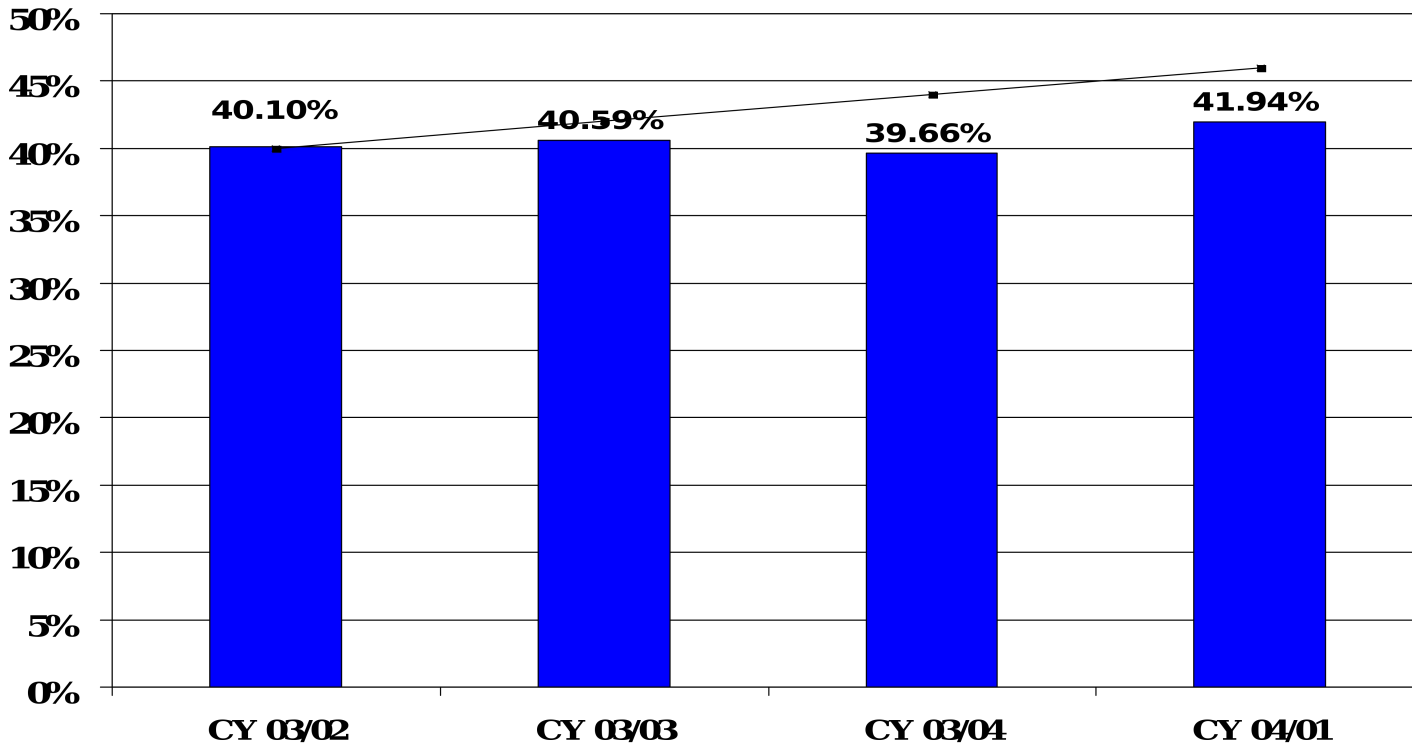

Potential population includes only GS, WG, and WS positions and excludes ART positions.

Metrics are part of the Defense Acquisition Executive Summary (DAES) status report provided quarterly by Air Force to DoD CPMS. Metrics approved by the PALACE Compass Steering Group and AF/DP in June 1998.

MAJCOM SCPD Implementation

AFPC

~~Proposed Standard 2% Increase Per Calendar Year Quarter Air Force-Wide~~

Good

Purpose: To show Air Force-wide SCPD implementation progress compared to the SCPD implementation standard of 2% per quarter. The bar reflects the actual percent of SCPDs implemented versus potential Air Force-wide SCPD population.

Metrics are part of the Defense Acquisition Executive Summary (DAES) status report provided quarterly by Air Force to DoD CPMS. Metrics approved by the PALACE Compass Steering Group and AF/DP in June 1998.
